I think 17% is too high. There needs to a public hearing on this matter.

**Subject:** STOP the ENERGY RATE HIKE INCREASE REQUEST by DUKE ENERGY CAROLINAS

,

I just signed the following petition addressed to: Members of the SC PUBLIC SERVICE COMMISSION. ----- STOP the ENERGY RATE HIKE INCREASE REQUEST by DUKE ENERGY CAROLINAS LLC Today, I signed this petition that urges you (SC PSC) to oppose allowing DUKE ENERGY CAROLINAS LLC to raise my (Residential, Commercial or Industrial) energy bills to pay for Duke Energy who is asking to begin recouping \$6.5 billion it says it has spent to modernize its system in the Carolinas and comply with environmental regulations. Simply put, "This is their (Duke Energy's) cost of doing business here in South Carolina". As I feel they are no different than any other business in South Carolina. We thoroughly recognize that one must spend money to make money. By your approval of raising ENERGY BILLS on FAMILIES, SENIORS, and BUSINESSES (Including the Commerical & Industrial sectors) will only SLOW ECONOMIC GROWTH and hurt SOUTH CAROLINA'S economic recovery. ----- Sincerely, Very Concerned South Carolinian

Mauldin, South Carolina
